

MOVE YOUR MONEY

This bank is run by **CROOKS**

- helped crash the economy,
- took billions in taxpayer money,
- compensates its executives obscenely,
- treats its customers poorly,
- lobbies for further de-regulation,
- doesn't pay its share of taxes,
- IS BAD FOR AMERICA

*** Nov. 5th is MOVE YOUR MONEY DAY ***

Move your money to a credit union or a community bank that will invest locally instead of lining its pockets and perverting the rule of law.
